In exercise of the powers conferred by Section 28 read with Section 124 (1)&(2) of the Major Port Trusts Act, 1963 (38 of 1963), the Board of Trustees of the Mormugao Port Trust, hereby makes the following regulations further to amend the Mormugao Port Employees' (Leave) Regulations, 1964 namely: —

1. (1) These Regulations may be called the Mormugao Port Employees' (Leave) (First Amendment) Regulations, 1978.

(2) They shall be deemed to have come into force with effect from the dates on which they have been effective in the case of Central Government servants.

2. Insert the following sub-regulations (5) and (6) after the existing sub-regulation (4) of regulation 7 of the Mormugao Port Employees' (Leave) Regulations, 1964, namely: —

"(5)(i) An employee who is granted terminal/refused leave under the provisions of this regulation shall be paid in lumpsum the amount equivalent to leave salary and allowances, if any, admissible during such leave, for the entire period of such leave, as one-time settlement instead of monthly payments.

(ii) If an employee while on terminal/refused leave is permitted to take up employment, the leave salary for the leave shall no longer be restricted to that admissible during half pay leave. However, the leave salary shall continue to be subject to reduction on account of pension/pension equivalent of other retirement benefits.

(iii) No permission for private employment during leave preparatory to retirement shall be granted hereafter. If, however, an employee on leave preparatory to retirement, is permitted to take up employment with Public Sector Undertaking, the leave salary shall no longer be restricted to that admissible during half pay leave.

(6)(i) An employee retiring on superannuation on or after 30-9-1977 shall be paid cash equivalent of leave salary in respect of the period of Earned Leave at his credit at the time of retirement on superannuation subject to the following conditions: —

(a) The payment of cash equivalent of leave salary shall be limited to a maximum of 180 days earned leave.

(b) The cash equivalent of leave salary thus admissible will become payable on retirement and will be paid in one lumpsum as a one-time settlement.

(c) Cash payment under this sub-regulation will subject to (d) below, be equal to leave salary as admissible for earned leave and dearness allowance admissible on that leave salary at the rates in force on the date of retirement. No city compensatory allowance and/or house rent allowance shall be payable.

(d) From the cash amount worked out in accordance with (c) above will be deducted the pension and pensionary equivalent of other retirement benefits for the period for which cash equivalent is payable.

(e) The authority competent to grant leave shall *suo-motu*, issue order granting cash equivalent of earned leave at credit on the date of retirement.

(ii) This sub-regulation shall not apply to cases of premature/voluntary retirement under regulations 5, 6 or any other similar regulation of the Mormugao Port Employees' (Superannuation and Age of Retirement) Regulations, 1974 or under any corresponding regulations. Persons who are compulsorily retired as a measure of punishment under the disciplinary rules, will also not be covered by this sub-regulation.

(iii) An employee already on leave preparatory to retirement who has been allowed to return to duty in accordance with the leave regulations shall also be entitled to the benefit under this sub-regulation on the date of retirement.

(iv) The benefit under this sub-regulation shall also be admissible to employees who attain the age of retirement on or after 30-9-1977 and are granted extension of service after that date. In such cases, the benefits shall be granted to the date of final retirement on expiry of extension, to the extent of earned leave at credit on the date of superannuation plus the earned leave earned during the period of extension reduced by earned leave availed of during such period, subject to a maximum of 180 days. The above benefits will not, however, be available to those who attained the age of retirement before 30-9-77 and were on extension of service thereafter.

(v) Consequent on the introduction of this sub-regulation, refusal of earned leave as preparatory to retirement embodied in regulation 7 of these Regulations, will no longer be necessary. (3) An employee on commuted leave is entitled to leave salary equal to the amount admissible under sub-regulation (1).

(4) An employee on extraordinary leave is not entitled to any leave salary.

Notification

No. MPT/IGA(114)/78

The Mormugao Port Employees' (Superannuation and Age of Retirement) (First Amendment) Regulations, 1978

In exercise of powers conferred by Section 28 read with section 124(1) & (2) of the Major Port Trusts Act, 1963 (38 of 1963), the Board of Trustees of the Mormugao Port Trust, hereby makes the following regulations further to amend the Mormugao Port Employees' (Superannuation and Age of Retirement) Regulations, 1974 namely:

1. (1) These regulations may be called the Mormugao Port Employees' (Superannuation and Age Retirement) First Amendment) Regulations, 1978.

(2) They shall be deemed to have come into force with effect from the dates on which they have been effective in the case of Central Government servants.

2. Insert the following new regulation 10 after the existing regulation 9 and re-number the existing regulations 10 and 11 as regulations 11 and 12 namely:

"10. Scheme of Voluntary retirement after 20 years service.

Any employee of the Board may by giving notice of not less than three months in writing to the appropriate authority retire from service after 20 years of qualifying service on proportionate pension and gratuity with a weightage of upto 5 years towards qualifying service, where applicable subject to certain conditions.

The following instructions will regulate the voluntary retirement of the port employees:

(i) Employees who have put in not less than 20 years qualifying service may, by giving notice of three months in writing to the appropriate authority retire from service voluntarily. The scheme is purely voluntary the initiative resting with the employee himself. The appropriate authority does not have the reciprocal right to retire employees on his own, under this scheme.

(ii) The benefit of 'retiring pension' will be admissible to employees retiring under this scheme.

(iii) A notice of less than three months may also be accepted by the appropriate authority in deserving cases, with the concurrence of the Finance Dept.

(iv) If an employee retires under the scheme of voluntary retirement while he is on leave not due, without returning to duty, the retirement shall take effect from the date of commencement of the leave not due and the leave salary paid in respect of such leave not due shall be recovered as provided in the Mormugao Port Employees' (Leave) Regulations, 1964.

(v) Before an employee gives notice of voluntary retirement with reference to these instructions, he should satisfy himself by means of a reference to the appropriate authority that he has, in fact, completed 20 years service qualifying for pension.

(vi) A notice of voluntary retirement may be withdrawn subsequently only with the approval of the appropriate authority provided the request for such withdrawal is made before the expiry of the notice.

(vii) A notice of voluntary retirement given after completion of 20 years' qualifying service will require acceptance by the appropriate authority if the date of retirement on the expiry of the notice would be earlier than the date on which the employee concerned could have retired voluntarily under the existing regulations applicable to him. Such acceptance may be generally given in all cases except those (a) in which disciplinary proceedings are pending as contemplated against the employee concerned for the imposition of a major penalty and the disciplinary authority having regard to the circumstances of the case, is of the view that the imposition of the penalty of removal or dismissal from service would be warranted in the case, or (b) in which prosecution is contemplated or may have been launched in a Court of law against the employee concerned. It is proposed to accept the notice of voluntary retirement even in such cases, approval of the Board should be obtained in regard to Class I employees, that of the Chairman in case of Class II employees and that of Deputy Chairman in the cases of Class III and IV employees. Even where the notice of voluntary retirement, given by an employee

requires acceptance by the appropriate authority the employee giving notice may presume acceptance and the retirement shall be effective in terms of the notice unless the competent authority issues an order contrary before the expiry of the period of notice.

(viii) While granting proportionate pension to an employee retiring voluntarily under this scheme, weightage of upto five years would be given as an addition to the qualifying service actually rendered by him. The grant of weightage of upto five years will, however, be subject to the following conditions:

(a) The total qualifying service after allowing the weightage should not in any event, exceed 30 years qualifying service; and

(b) The total qualifying service after giving the weightage should not exceed the qualifying service which he would have had, if he had retired voluntarily at the lowest age/minimum service limit applicable to him for voluntary retirement prescribed under regulation 6 above.

Illustrations:—

(a) If an employee who could be prematurely retired under regulation 5 (i) or could have voluntarily retired under regulation 6, seeks voluntary retirement under this scheme after he has attained the age of 47 years and has rendered 22 years of service the weightage in pension would be limited only upto three years.

(b) If an employee who could be prematurely retired under regulations 5(ii) or could have voluntarily retired under regulation 6 seeks voluntary retirement under this scheme after he has attained the age of 51 years and has rendered 24 years of service, the weightage in pension would be admissible upto four years.

(c) If an employee belonging to Class III service or post who could have voluntarily retired under regulation 41 of the Mormugao Port Employees' (Pension and Gratuity) Regulations, 1966, seeks voluntary retirement under this scheme after he has rendered 25 years of service and has attained the age of 48 years, the weightage in pension would be admissible upto 5 years.

(ix) The weightage given under this scheme will be only an addition to the qualifying service for purpose of pension and gratuity. It will not entitle the employee retiring voluntarily to any notional fixation of pay for purpose of calculating the pension and gratuity which will be based on the actual emoluments calculated with reference to the date of retirement.

(x) The amount of pension to be granted after the weightage will be subject to the provisions of regulation 6 of Mormugao Port Employees' (Pension and Gratuity) Regulations, 1966. The Pension will also be subject to the provisions of regulations 7 and 8 of these regulations.

(xi) The scheme of voluntary retirement under this regulation will not apply to those who retire voluntarily under the provisions of regulation 30 of the Mormugao Port Employees' (Pension and Gratuity) Regulations, 1964.

(xii) The scheme of voluntary retirement under this regulation will also not apply to those employees on deputation to autonomous bodies/public sector undertaking etc. who propose to get absorbed in the autonomous bodies/public sector undertaking etc. The absorption of employees on deputation to public undertaking/autonomous bodies etc. in such autonomous bodies undertakings etc. and the grant of retirement benefits to them in respect of their service under Board will continue to be governed by the separate set of instructions to be issued by the administration in this regard.

(xiii) An employee giving notice of voluntary retirement may also apply before the expiry of the notice, for the leave standing to his credit which may be granted to him to run concurrently with the period of notice. The period of leave, if any, extending beyond the date of retirement of expiry of notice by not extending beyond the date on which the employee should have retired on attaining the age of superannuation may be allowed as terminal leave as per regulation 7(2) of the MPE (Leave) Regulations, 1964. The leave salary for such terminal leave should be payable as provided in regulation 7(5) *ibid*.

(xiv) Class I employees retiring voluntarily under this scheme would continue to be subject to the provisions in the MPE (Acceptance of Employment after retirement) Regulations, 1970 relating to post retirement commercial employment. However, in their cases, permission for the post-retirement commercial employment will be granted more liberally than in the case of other employees retiring under the provisions of MPE (Superannuation and age of retirement) Regulations, 1974."
